KITCHEN DEALER PROGRAM

REV-A-SHELF's Kitchen Dealer Program is the perfect solution for cabinet shops and designers. Our program binder is designed to help you add value with REV-A-SHELF® products in all of your kitchen jobs. Members are sent quarterly updates keeping them up to date on the latest innovations from REV-A-SHELF®. Ask your authorized distributor to sign you up today!

DISPLAY PROGRAM

Our complete line of Cabinet Storage Organizing Accessory products have distinct advantages in strength, design, ease of installation and aesthetics that can only be sold effectively through working displays. Many of our customers have had great results by installing products in Kitchen Dealer, Custom Shops and Home Center Kitchen and Bath displays. We also have floor displays and salesman samples available that can further serve as effective sales tools.

Our Program: A 50% discount is available to you, the distributor, for each display product placed in a showroom or display unit placed in a showroom or display fixture. Verification of installment for claiming the rebate should be handled through your REV-A-SHELF® representative on a monthly basis.

The following product categories are only eligible for a 25% Display Discount.

- Premiere Chrome Accessories
- Wire Series Pullout Pantries
- Chrome Lazy Susans
- Built-in (8000-Series) Waste Containers
- Pullout Ironing Board
- Mixer Lift

DISCLAIMER

Rev-A-Shelf® makes every effort to verify and ensure that our product specifications are correct and up to date. However we reserve the right to make engineering changes that affect any critical product dimension without notice. Rev-A-Shelf® shall not be held liable for any cost related to such a change, misprint, instruction, or product template error.

WARRANTY

ALL PRODUCTS SOLD BY REV-A-SHELF® ARE WARRANTED TO BE FREE FROM DEFECTS IN MATERIAL AND WORKMANSHIP.

THE FOREGOING WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, WHETHER EXPRESSED, IMPLIED BY OPERATION OF LAW, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR MERCHANTABILITY OR FITNESS.

THE USER ACKNOWLEDGES THAT A SERVICE OF THIS TYPE IS SUBJECT TO ERRORS AND REQUIRES REVISION FROM TIME TO TIME TO INCORPORATE NEW INFORMATION AND CORRECT ERRORS. THE USER AGREES TO USE REASONABLE EFFORTS TO DETECT ERRORS AND AMBIGUITIES AND NOTIFY REV-A-SHELF® IN WRITING IF SUCH ERRORS OR AMBIGUITIES ARE DISCOVERED BY THE USER. THE USER ALSO ACKNOWLEDGES NOT TO HOLD REV-A-SHELF® LIABLE FOR SUCH ERRORS OR AMBIGUITIES.

REV-A-SHELF® shall not be liable for incidental or consequential losses, damages or expenses, directly or indirectly arising from the sale, handling or use of the products, or from any other cause relating directly or indirectly thereto, and REV-A-Shelf® liability in any case is expressly limited to the replacement (in the form originally shipped) of non-complying products, or, at REV-A-SHELF® election, to the repayment of, or crediting Buyer with, an amount equal to the purchase price of such products, whether such claims are for breach of warranty, negligence or otherwise. If the limitation of liability provided herein shall fail of its essential purpose, REV-A-SHELF® total liability for any damages shall in no event exceed the total of ten times the retail price of the product. Any action for damage must be commenced after the accrual of the cause of action.

Any claimed defect in material or workmanship shall be deemed waived by Buyer unless submitted to REV-A-SHELF® in writing within thirty (30) days from the date it was purchased or by reasonable and prompt inspection after receipt it should have been discovered by the Buyer. REV-A-SHELF® shall have the right to require Buyer, at its expense, to return to a designated factory for inspection or repair any product claimed to be defective. The determination of REV-A-SHELF® as to the existence of a valid claim for replacement, repair, exchange or damages, under this warranty or otherwise, shall be conclusive. Replacement parts shall be furnished F.O.B. factory. Buyer shall assume the labor and delivery costs in removing and replacing a defective product.

REV-A-SHELF®

Go Green!

Who is Rev-A-Shelf and why should you consider us as your business partner? We break it down into four simple things; people, products, innovation and service. As the leader in functional cabinet organization products we have a great team of people who are focused on your needs and we LISTEN to you and the market to determine our product development priorities.

Rev-A-Shelf's new GO GREEN project will address the need our customers will have to offer products produced from rapidly renewable resources, and processed and documented in a way that will eventually meet criteria set forth by building codes and future regulations.

As a market leader, we want to be the first to offer these products. As a business, we are committed to incrementally improve our environmental impact and document our progress.

A forerunner in research & development, Compagnucci has always concentrated on energy and investment, taking advantage of forty-years of experience with which it has structured a production capability of the highest level; and is at the environmental forefront in the use of technologies, materials, processes and certifications, with a state-of-the-art facility that was designed to be free and safe from fumes, with no liquid waste, and zero emissions to the atmosphere.

The Compagnucci Group has expanded its offering with the introduction of a new elegant and sophisticated Flute finishing, complementary to the chrome finishing. Flute finishing is aesthetically customized by precious finishing to the typical appearance and coloration of chromium and stainless steel that Compagnucci imprints on the surface of each element and component through its unique patented electro galvanic, painting, aluminum anodizing and plastics molding processes.

It is referred to as "Flute" for the soft champagne color that characterizes it, and is beautifully enhanced when in combination with the Stylinox™ coated glass. The Stylinox™ is to glass as the Crominox™ is to chrome; with the finishing being enhanced by a final transparent plastic coating which is obtained with two consequent processes of electro plating and coating with transparent plastic material, thus enhancing the aesthetics and producing a tactile sensation, while giving the product relevant functional properties.

In fact Flute Stylinox™ offers strong resistance to corrosion similar to that of stainless steel as well as to shocks, since the contact with the dishes, especially crystal, is particularly softened, resulting in a significant reduction of the cracks; in addition it provides a strong resistance to slipping, equal to 50% of the weight of objects leaned on its surface; and finally, all the sounds due to contact are noticeably dampened.

The beauty and functionality of this last "creation" confirm the unmistakable Compagnucci footprint.
